## March 2024 Newsletter

### February Recap

Not much to report about February. I was away but Trivia looked like it was very well attended. Keep it up! The more the merrier!!!

### March at the Club

People are really enjoying the brunches and dinners.....why not join us. Brunch is served on Sunday from 11:30 – 2:30 with a delicious menu, and Dinner is served nightly from 5:30 – 8:30 (another great menu). Hopefully the number of people attending the club will continue to rise, so we may continue to stay open 7 nights for food.

St. Patrick's Day – Corned Beef and Cabbage dinner – March 17<sup>th</sup>!

The Club has a raffle board up for 2 Bruins Tickets to any remaining home game. These were a very generous donation, and they are great seats! Each square is only \$10.00!!! Proceeds of this raffle will go toward the NAC Conservation account as a fundraiser. This is a good cause – anyone could win - take a chance!

The Board has voted in the new members for this year. Don't give up hope if your sponsor was not notified yet, there may always be some no pays – which would open up a spot. When all new members are paid, the applicants will be notified to resubmit for next year. Please tell them to keep trying, very long wait list, not many drop outs this year.

Certificates at the Club to be picked up are: Kent and Olivia Charney, Tim Mahoney, Dana Troxell. Plaques from awards night are: Kent Charney, Dylan Dwyer and Sander Reinemo.
