

# NANTUCKET ANGLERS' CLUB NEWSLETTER –April 2023

## March Recap

Trivia night was well attended again. Not much more to report. A few more people have been out fishing! Keep it up!!! Another new member – Dan Holmes has been hitting the ponds hard!

After speaking with our point-of-sale company, I was told that all of the emails are being sent out to the membership with the Club statements. Most all of the people that stated they aren't receiving them monthly are members with Gmail accounts. It was suggested to either deal with google to possibly resolve the issue or make up another email account (not Gmail) in order to get your statements. There is nothing more we can do on our end.

Inshore tee shirts are now on sale for \$10.00 each which is quite a deal – get 'em while they last!
