

NANTUCKET ANGLERS' CLUB NEWSLETTER –August 2023

July Recap

The Bottom Feeders Tournament is ongoing, so results will be in next newsletter. The Annual Meeting was once again very poorly attended. Everyone must be happy! The Scup Blitz had Homer Ray IV as the victor of the adults, and Harrison Ray for the juniors. The Black Sea Bass Blitz had Jim Hughes for adults, and Harrison Ray for juniors.

*** Just a few refresher reminders regarding the minimum sizes for fish to be weighed at the Club or roving scales. Pickerel – 15”, White Perch and Crappie – 8”, Yellow Perch – 7”, Sunfish – 4”, Bluefish – 12”, Striped Bass – 28” – less than 31”, Scup – beach – 9.5” – boat -10.5”, Black Sea Bass – 16.5”, and Fluke – 16.5”. Please try to conserve fish and only weigh in the two largest or may bump prior caught fish. Please note: **Slips are to be filled out by a weighmaster, while witnessing each fish on the scale. Angler is to recheck slip for accuracy. Please include junior ages.**

***Please give name and member number to servers at club as many members seem to have forgotten their correct number and others are getting their credits. Ask your server for your number – a lot of people store it in their phones for remembering.

The Club is open 7 days a week, as we are in our summer season.

Lunch is being served daily except Mondays until we find another cook, and dinners are being served every night from 5:30 – 8:30. THE KITCHEN CLOSES AT 8:30! Please be considerate of our overworked kitchen staff.

The Club is open daily at 9:00 a.m. except Mondays which will open at 3:00. Please note that a member or spouse and any child under 22 years of age have membership privileges. No guests or relatives may use that member's name or number without the member being present. Please remember to sign all guests in. We will be taking pictures of all members for the pos system.

Certificates to be picked up at the Club are as follows: Mouche Potter, Mary Adams, Kraig Siracuse, Kip Hughes, Kent Charney and Drew St. Pierre.
